AT THE CATARAQUI CANOE CLUB BOATHOUSE**

Club Liability for Personal Equipment

I / We, _____
understand and agree that the Cataraqui Canoe Club is not responsible for any damage and/ or loss incurred to boat and boat accessories while in storage at the Cataraqui Canoe Club boathouse. This includes fire, theft, vandalism, and acts of God. I/We know that the Cataraqui Canoe Club recommends therefore that personally owned equipment such as paddles, boat covers, spray skirts, etc. not be stored at the boat house. The Cataraqui Canoe Club also recommends that home insurance is extended to cover your boat and related equipment.

Fee Due Date and Stipulations:

1. Fees for rental of storage space in the Cataraqui Canoe Club boathouse are due by March 31st of each new storage year.
2. Membership fees are also due by March 31st and must be paid prior to or at the same time as storage rental fees. Storage space is not available to non-members of the Cataraqui Canoe Club.
3. Boats stored for any period beyond April 1st are subject to the annual fee.
4. Where fees for rental space have not been received by the due date, your equipment may be sold to recoup the storage fee. Any funds realized from the sale of the equipment beyond the storage rental amount may be obtained from the Board of Directors upon written application within one year of the date on which the renter became delinquent.
5. Where fees have not been received by March 31st the space is available for rental by another party.
6. The renter will be considered delinquent where a cheque which has been issued for payment of rental space or membership fees cannot be cashed due to non-sufficient funds.
7. Fees for a boat stored after September 30th in the 1st year of storage may be prorated at a monthly rate at the discretion of the Board of Directors.
8. Any boat stored for any period in consecutive years is subject to the full annual charge.
