Boat Storage Policy - Cataraqui Canoe Club (CCC)

1 Scope

This policy outlines the conditions for use of the CCC Boathouse by CCC members for the purpose of storing their canoes and/or kayaks (referred to hereafter as “Boats”).

2 General Comments

The Boathouse Manager is responsible for allocation of space¹ in the boathouse for the storing of boats. The manager is also responsible for assigning a specific spot² for each boat and may change that at his/her discretion.

The boathouse is not intended to be a long-term storage facility where people may store their boat and then forget about it. It is intended for use by **active** members who use their boat from time to time in a paddling season.

Members applying for a boathouse space will need to live within some reasonable distance from Kingston, about 50km. Exceptions are possible and should be discussed with the boathouse manager.

Boathouse storage spots may not be transferred to another individual. The Boathouse Manager must be informed promptly when a renter wishes to terminate their boat storage rental agreement.

3 Club Liability

- a) The CCC is not responsible for any damage and/or loss incurred to boat and boat accessories while in storage at the CCC Boathouse. This includes fire, theft, vandalism, and acts of God.
- b) The CCC is not responsible for personally owned equipment such as paddles, boat covers, spray skirts, etc. They should not be stored in your boat.
- c) The CCC is not responsible for any contents stored in the Storage Lockers.
- d) The CCC recommends that your home insurance is extended to cover your boat and any equipment stored in the CCC Boathouse

4 Pre-Requisites for Boat Storage

- a) You must be a current adult CCC member in order to store your boat in the CCC Boathouse.
- b) Each adult in a membership (single or family) may store a maximum of one boat where space is available. This means that a maximum of 2 boats may be stored for a family membership in which there are 2 adults living in the same household.
- c) Members wishing to store their boat must first have the approval of the Boathouse Manager who will determine if there is a suitable space available. The Boathouse Manager can be contacted via e-mail at boathouse@cataraquicanoe.ca

¹ Space refers to any location in the boathouse that is suitable to store a boat

² Spot refers to a specific location in the boathouse where one (1) boat is stored

- d) A boat storage application form is to be completed once the Boathouse Manager has confirmed that a spot is available. A full description of the member's boat is required on this form. Should members change their boat during the rental period, the Boathouse Manager must be informed immediately.
- e) If there is no space available, potential renters will be added to a waiting list in the order that their request was received. Spots will be allocated on a first come, first served basis. Applicants must be members in order to be added to the waiting list.
- f) Boat storage space is not available to non-members of the CCC.

5 Fees

5.1 Due Dates

- a) Fees for rental of storage space in the CCC Boathouse are due by March 31st before the beginning of the new storage year, April 1st.

5.3 Non Payment of Fees

- a) If fees have not been received by March 31st, you will be required to pay the late penalty fee if you wish to continue renting your boat storage spot.
- b) If fees are subsequently paid after March 31st and by April 30th you will retain your existing spot.
- c) If fees have not been paid by April 30th the CCC reserves the right to place your boat(s) outside the boathouse for your pickup. The spot(s) will also become available to the next member.
